Do you know who Jesus said He was? Most modern Bible versions deny that Jesus said He was God! That's right, most modern Bible versions have another man taking Jesus' place in Christ 20% of the time! But we all know that Jesus said He was God! Bible versions deny themselves as lies by this and other internal contradictions. Only the King James Version gets it right every time. Take the King as God's Word!

"Talking about the birds
and the bees was tough.
Then she asked about God."

"It's something every parent has to deal with sometime. Questions about God, about good and evil, about death and heaven and hell. "So when Melanie reached that point, I wanted her to have the same opportunity I did to question, to wrestle with questions of faith, and what it means to her. To understand that there are answers we'll never know, but we will have to ask the questions. "Unitarian Universalism gives us that freedom. In a community that encourages curiosity it provides an opportunity for my daughter to engage and understand other faith systems, to better understand her friends and their faiths. "A lot of people are probably turned off with traditional concepts of religious education. "They need to know more about Unitarian Universalists"
