

Cable to capture wonder of Halloween on camera

LARK SAMOUELIAN

CABLE CONNECTION
We look forward to seeing you at the Halloween Fest in downtown Farmington Friday night and all day Saturday.
Leigh Byrd of MetroVision will be roving through the events with her television camera capturing the delight and wonderment of the Halloween Season.

For those of you unable to attend the event, please know you will be able to capture the fun from your local cable television Channel 12.
Leigh has been with our Community Television at MetroVision from the beginning. She is a corner stone of our television foundation. Leigh has gently taught many of us and is respected for her ability to know the television technology and also explain it in terms we all understand.
In our ever-changing world, many incidents occur and tension

and turmoil may arise. Leigh is calm, though stern, and helps smooth the tide, encouraging those around her to do the same. I do enjoy working with her.
You may also be capturing some interesting video throughout the holidays. Please call us and bring it over. We would be happy to include your footage on Channel 12. Happy Halloween.
