

Hawks win from page 1C

In the second overtime, Poci rolled left and threw a 9-yard pass against the flow to upback Nick Williams for a touchdown. Brock Gove kicked the extra point for a 7-0 lead.

Glenn responded with Brian Morrison tossing a TD pass to tight end Mike Bint on first down. But the Rockets chose to go for the two points, and tailback Derek Besco was run out of bounds by Kevin Bryant and Brendan Catter a half-yard shy of the goal line.

"The last kick had been blocked so that was certainly on my mind," said Glenn coach Chuck Gordon of his decision. "We came here to win a championship, so we decided to go for it right then and there."

"I wasn't surprised because they needed it to win, but we came out and made the big play," said Bryant, who also had an interception and caught three passes for 77 yards.

"We were keying on (Besco) the whole time. It was either going to be a pass or a pitch. I was kind worried but we came through."

Harrison outgained Glenn 173-94, controlling the clock and moving the ball most effectively in the first half. The Hawks had a 110-40 advantage on six first downs to Glenn's one in the first half.

The Hawks had the ball for the first 5 1/2 minutes after Glenn lost a fumble on the first punt of the game. But the Rockets intercepted two Poci passes in the end zone, and Gove just missed on a 27-yard field goal in the first half.

"When you move the ball that much on a 40-yard, you usually lose, so we feel fortunate," Harrison said. "Usually, the other team comes back and gets one on you and that's it, but coach (Bob) Sutter kept stopping them."

"I thought our defense was outstanding," Gordon said. "They answered challenge after challenge the best they could. That was as fine a defensive effort as I've seen in a long, long time."

Glenn didn't have a first down in the third quarter but stopped two Harrison ves. Gove was in on a 40-ya. attempt to end the second.

quarter gave Glenn his best scoring chance. The Rockets drove the Harrison 15 and 28; however, Stove Hewer missed a 40-yard field goal and Glenn gave the ball up on downs later.

"You don't get a lot of chances against Harrison, and we didn't take advantage of the ones we had," Gordon said.

"When you play Harrison, you're not going to just knock them out of there, or anybody who thinks they can do that just doesn't understand much about the way they play football."

Besco gained 46 of Glenn's 85 rushing yards on 14 carries, and Morrison completed three of 15 passes for 9 yards.

"That's as good defense as I remember us playing," Harrison said. "Sutter had great schemes and they hardly did anything against us. As small as we are, it's amazing we can stick them like that."

Glenn limited Harrison tailback Jason Granger to 23 yards on 11 carries, but Williams gained 64 on 18. Poci completed seven of 22 passes for 84 yards.

"Joe Peci threw the ball well, and we came up with the big catches, Nick Williams with the big runs and the line with the big blocks," Bryant said. "We just came through and played as a team."

"We were underdogs and it's definitely the biggest win all year," Harrison tight end Nick Burgess said. "We played with a lot of emotion and that won it for us."

Harrison has clinched a playoff berth in Class A, and Glenn remains in the running in AA. The Rockets finish the regular season Friday against Wayne Memorial, and the Hawks will play host to either Brother Rice or DeLaSalle on Saturday.

"We'll have to take a setback and turn it into a comeback," Gordon said. "I like this team a lot, and our character and leadership will be tested big time now. I think we'll respond the way we should."

North girls place 3rd in cross country

BY BRAD EMONS STAFF WRITER

Lana Boroditsch was all smiles Friday.

In fact, the whole Plymouth Canton girls cross country team beamed radiantly following their conquest of the 12-school Western Lakes Activities Association meet held at Casa Benton Park.

Boroditsch, a senior, pulled off the main upset by winning the 5,000-meter girls race in 18 minutes, 54.56 seconds. She overhauled runner-up Bridget MacKinnon, who had won the previous two meetings between the two. MacKinnon's time was 19:05.82.

Boroditsch likes to go out fast and I wasn't used to that," Boroditsch said. "But this is my favorite course and I felt if I could just last, I could get her at the end.

May also had 11 rebounds and six steals. Gordon added six steals and McCoy four assists.

Kelly Klene paced the Rockets with 14 points, and Rochelle Harris scored 11.

"Both teams play an up-tempo game, so it was a fun game to watch," Davis said. "We're playing close to our best basketball right now."

"I think we're one of the better defensive teams in the league. We're one of

GIRLS MEET

"This is my senior year and the last time on this course. I worked a long time for this. It's really hard, but when you're done, you get such a rush. There are so many hills. I just love the way it rolls. It's the best."

Canton, the state's top-ranked team in Class A, also proved it was the best team by placing four runners in the top 10 — Boroditsch, Laura McWilliams, fourth (19:38.72); Kathleen Landelius, fifth (19:53.51); and Becky Wolf, seventh (20:06.86). The team's fifth runner, Beth Knight, took 18th in 20:50.61 for a total of 35 points.

place, 80-82. Livonia Stevenson was fourth with 119 followed by Walled Lake Central (177) and defending champion Walled Lake Western (180). See statistical summary.

"Our kids all ran their fastest times ever," Canton coach George Przygodski said. "And we know this was a meet where everybody takes a step up."

"We just had to keep our heads, run smart and do what we've been doing all year long. We've been in a lot of big meets and that's prepared us for the end of the year. But by no means this is the end of the road."

The regional is next for Przygodski and the Lady Chiefs, who know the competition doesn't get any easier.
