HIGHLIGHTS

"Let's do the Time Warp again." Tim Curry stars as the alien transvestite Frank N. Furter in the 1975 camp horror-spoof "The Rocky Horror Picture Show," which makes its TV debut on Fox Monday, Oct. 25. Executive producer Lou Adler says he never imagined the cult film airing on network TV. "Mostly because I never thought we could do it a way that would perpetuate the theatrical experience." Fox's screening of the musical includes shots of typical audience interaction that made the film the most popular midnight movie ever.
