Do you know that the God of the Bible does not love every school of religion? The Bible teaches that God loves His people (Romans 9:13) and that he has a word of rebuke for every nation (Ezekiel 5:5). The love of God is only given to those whom God chose to be in Christ before the foundation of the world (Eph. 1:3). How, then, if you are entering in learning more about the great God of the Bible, come worship with us on Sunday.

**Talking about the birds and the bees was tough. Then she asked about God.**

"It's something every parent has to deal with sometime. Questions about God, about good and evil, about death and heaven and hell. "So when Melanie reached that point, I wanted her to have the same opportunity I did to question. To wrestle with questions of faith, and what it means to her. To understand that there are answers we'll never know, but we still have to ask the questions. "Unitarian Universalism gives us that freedom. In a community that encourages curiosity. It provides an opportunity for my daughter to engage and understand other faith systems, to better understand her friends and their faiths. "A lot of people are probably turned off with traditional concepts of religious education. "They need to know more about Unitarian Universalism!"
