Do you realize that most Christians do not understand
John 3:16? Most assume that the word "repent" in this
verse means "to feel sorry." However, the Bible often uses the word "repent" to
refer to a specific group of men when the human
race. Note these verses: Luke 2:1, John 1:19, John
13:13. The word "repent" that God used here does
not mean to feel sorry but to turn to God and give to Christ for salvation (cp.
1:3-5, John 3:3).

"Instead of me fitting a religion, I found a religion to fit me"

"I remember telling my Sunday School class and my father that I didn't believe in God. But it wasn't God I didn't believe in, it was God as an old male Caucasian with long white hair.
"I spent years probably not going to church once. Then, senior year in college, I started looking into a Unitarian Universalist church in town. I was going because I wanted to go, because something was missing on Sunday morning.
"One of the things I value most about being a Unitarian Universalist is being able to question. Unitarian Universalism encourages openness. It encourages dialogue.
"When I tell my friends that, they're amazed it's still considered a religion. And they want to know more about it."
