WIN OUR DOLL-HOUSE!
Just tell us in your own words what you would do to make our doll-house a real home for your doll family. For example, how would you complete the porch, plan the landscaping and redecorate the interior? Our panel of "experts" including the architect, builder and overworked carpenters, Tom and Chris Rutledge will judge the entries and select one little girl to win the doll-house.
Stop in at our Birmingham office to view the doll-house and pick up an "official" entry form. Contest closes on December 20, 1993 and the decision of the judges will be final.

OPEN SUNDAY 1-4
