

Free Child's Remedy

What mother is not looking for something that will help her children in the little ills of life, something for the stomach trouble and the bowel trouble? Long ago she probably has become convinced that a child cannot readily swallow a pill or a tablet, and that to "break them in half and crush them" is an annoyance that usually they work too dramatically and are nauseating and so powerful for the little one's stomach. Any mother who will take the trouble of sending her name and address can obtain a free sample bottle of a remedy that thousands of other mothers are using and now paying for. This remedy is Dr. Caldwell's Syrup Pepsin, and the offer of a free trial bottle is open to any mother who has not yet used it. Having used it and convinced yourself that it is what you want, you can obtain it in the future of your druggist at fifty cents and one dollar a bottle, just as so many others are doing, the free sample being simply to convince you of its merit. It is the best way to begin on it. Mrs. L. Lewis of 127 W. Harrison street, Chicago and Mrs. Mary Bedford, 119 Cole street, Louisville, Ky., both started with a free sample and now they write that they have never been without a bottle in the house since.

It is undoubtedly a great family remedy, as it is adapted to all ages, being mild and easy to take and is thoroughly effective. It is especially the ideal remedy for children and women and old folks, who need something pure, mild and natural. It has the effect of being a thorough laxative and yet contains no harmful properties. Use it for the most stubborn constipation, indigestion, liver trouble, stiff headache, sour stomach and such complaints with a guarantee that it will cure.

Dr. Caldwell personally will be pleased to give you any medical advice you may desire for yourself or family pertaining to the stomach, liver or bowels absolutely free of charge. I explain your case in a letter and he will reply to you in detail. For the free sample simply send your name and address on postal card or otherwise. For other request the doctor's address is Dr. W. B. Caldwell, 1250 Caldwell building, Monticello, Ill.
