family. Now all our rooms are private. Your needs come first. You said you wanted family and friends to visit at your convenience. So visiting hours are determined by you. You asked if fathers could stay the night. Now they can. You wanted more comfortable surroundings for labor and birth. Our new labor-delivery-recovery (LDR) rooms are fully equipped with the latest birthing beds and other equipment for birth. And the unit is decorated to help put you at ease and create a homelike atmosphere.

More changes
Your desire for the best possible care has resulted in advanced training for our nurses. And a new physician director and nurse director. We even have a new name: **Miracle of Life Maternity Center.** But one thing hasn't changed. The concern and personal care we've always provided at St. Mary Hospital.

To learn more about the changes in our **Miracle of Life Maternity Center** call **313-591-2882** for a free brochure, personal tour, or physician referral.
