

The only thing as pleasant as buying a Saturn is leasing one.

We hope you've heard how *unstressful* we try to make it for you when you visit a Saturn showroom. (Because who needs more stress, right?) Anyway, we take the same approach to leasing as we do to everything else. So if leasing a Saturn is better for you than buying one (and we can help you figure that out), then great. The only important thing is to find out how pleasant driving a Saturn can be.
