Chances are someone you know and love is suffering from Alzheimer's Disease or some other form of dementia. Someone you know and love is caring for that person. You know what a demanding and difficult job it is and you're worried about both of them.

Let us help. Canterbury Lane is a Special Care Unit for older adults with Alzheimer's or other dementias. Our trained professional staff is dedicated to improving the quality of living for Canterbury residents. The atmosphere is secure, warm and friendly. Canterbury has its own Recreational Therapist, music therapist and a 24 hour nursing staff. There is opportunity for socialization and programs are geared to each individual's abilities. Most important residents can age in place. This means that residents do not have to move out if they wander, are incontinent or become wheelchair bound.

Call today for more information or to make your personal tour appointment.
