Falcons win dual over rival Hawks

Farmington pushed its dual-meet record to 9-1 in boys swimming Tuesday with a 106-59 victory over host Farmington Hills Harrison.

The Falcons, who have one dual remaining tonight at Plymouth Salem, won all the relays and four individual events.

John Hawkins, Tom Seley, Matt Crawford and Chris Owen had first-place swims and also contributed to the sweep of the relays.

Owen won the breast stroke (1:10.26), Crawford the 500 freestyle (5:49.72), Seley the butterfly (1:04.88) and Hawkins the 200 freestyle (2:01.07).

Mike Enberg took the lead and Jim Pollard the anchor leg on two relays. They teamed with Seley and Owen to win the medley (1:56.74), Mike Langdon and Crawford to win the 400 freestyle (4:01.97).

Farmington's winning 200 freestyle relay team consisted of Seley, Hawkins, Rich Hamann and Marc Alonzo. The Falcons had a 1:49.0 time.

Harrison's Nat Canvasser won the 50 freestyle (25.13) and the 100 (56.17), Mark Strohmaier the diving with an Observerland best of 272.80 points, Mike Schaner the individual medley (2:20.2) and Chris Bailey the backstroke (1:02.88).

Warriors win dual

Mike Sugrue and Ron Royer stepped to the forefront Tuesday night to lead Birmingham Brother Rice's swim team to a 118-68 dunking of rival Redford Catholic Central.

Sugrue and Royer each recorded a pair of individual victories, as well as helping two relay squads to blue-ribbon finishes. Sugrue touched ahead of the pack in the IM (2:01.24) and butterfly (53.42), while Royer took the 50 freestyle (22.57) and 100 (49.40).

Sugrue and Royer teamed with Mario Scussel and Rob Riggert for a 3:21.20 triumph in the 400 freestyle relay. Royer, Brian Swinteck, Brian Najarian and Pete Rydesky combined for a 1:44.34 win in the medley.

The Warriors (13-0-1) also received first-place efforts from Swinteck in the backstroke (57.67), Rydesky in the breaststroke (1:06.51) and John Sajdek in diving (182.35 points).

Wrestling *from page 1B*

"My strategy in every match is to take the person down," Prough said. "If I can take them down, I know I can win. If they can't take me down, there's no way they can beat me.

"If you get the first takedown, that gives you momentum for the rest of the match. If I keep it up for the rest of the year, I'll be a state champ."

Michalski (27-6), who was fifth last year, replaced Walled Lake Western's Rob Fritz as the 103-pound winner and would like to follow in his footsteps and become a three-time champion, also.

"Every wrestler is different, but I wouldn't mind getting a reputation like that," Michalski said. "This is a good tournament to prepare you (for the district). What really matters is next week."

Michalski, the No. 2 seed, pinned Salem's Eric Coburn (1:09) and won his last two by 6-2 decision over Western's Andy Anderson and Canton's Dan Gruenwald. He appeared to struggle early in the final and had trouble shooting on the shorter Gruenwald but eventually took control.

Bowler ends 24-year wait

TEN-PIN ALLEY

AL HARRISON

When Tom Baranski bowled a 300 game at Avon Recreation in Rochester Hills last week he probably did not realize he had set a new all-time record, of sorts.

It took a phone call from ABC headquarters in Greendale, Wis., to verify the fact that indeed it was a record for the longest interval between 300 games for any individual bowler.

For the 53-year-old Baranski, it was 24 years since his other perfect game. The previous record was 21 years, and that was held by none other than Fred Wolf.

Most older bowlers will immediately recognize that name. So for Tom Baranski, it turned out to be much more than just a perfect game, it was one for the books!

■ For those who missed the ABC-TV Good Morning America show which featured Cheryl Daniels and Martha Reeves singing and bowling from Bowl One Lanes in Troy, you get another chance. ESPN taped a session with them on the lanes at Bowl One, and it will be aired sometime in March.

I will announce the date and time as soon as it is released. Daniels is expected to sing the National Anthem for the opening ceremonies of the U.S. Open Professional bowlers tour from Bowl One in April.

■ According to John Fallows, owner of "Pro Balance" pro shop in Farmington Hills, the biggest thing about Reactive resin balls is "To know when NOT to use them."

When you warm up before the game and the reactive resin ball does not work as expected, that's the time to get out the regular old Urethane equipment.
