## We Must Learn About Our Life As Well As Its Work

It's graduation time from high school, college, or whatever level of learning you have decided upon. Now you are ready to go out and face the world and whatever it has to offer. However, there is much more to learning than merely the tools of a trade or profession.

Your education should include life and the world you live in that God created for you, with all its beauty and fascinating formations. He also gave you the intelligence to fathom these things and to make use of them in your daily life, with all its technological wonders.

So go to your House of Worship and thank Him for providing this most important part of your store of knowledge. Remember that no one ever graduates from the school of faith.

Your spiritual blessings are "because the Lord loves you." Don't. The Lord's love is NOT the same as the love of the world. God's love is SOVEREIGN SAVING LOVE. It is impossible for God to love and not to love the one loved. God said, "I have loved thee with an EVERLASTING love. THEREFORE, with loving, kindness have I drawn thee." Jeremiah 31:3
