Burcar, Salyer net regional victories

It's been a fine year for the North Farmington girls track team, and the Raiders added to it with a strong showing Saturday in the Class A regional at West Bloomfield.

North finished a respectable fourth with 53 points behind Southfield (90), Rochester Adams (78) and the host Lakers (58). Merry was sixth (30), Farmington ninth (20) and Harrison 10th (16).

"As a team, we did really well," North coach Bill Pinnell said. "We finished about where we thought we would. We thought we could finish in the top four and score at least 50 points."

North sophomore Heather Burcar was the regional champion in the 400-meter dash with an areabest time of 58.8.

She also qualified for the state finals in the long jump, finishing third at 16-1½. The Class A championships will be Saturday, June 4, in Midland.

The top two girls in each regional event advance to the state meet unless they meet the qualifying standard. Burcar made the grade in the long jump since anyone jumping 16 feet or better goes.

Devonie Pinal and Alisha Gordon were automatte qualifiers in the discus (108-2) and shot put (36-10%) with second-place finishes, respectively. Carrie May was third in the high jump and also qualified with a jump of 5

feet.
"Heather has a real good chance to score in the 400-meter dash, because she'll have one of the fastest, seeded times," Pinnell said. "From what we've seen from other regionals, Gordon has a chance to place if she can get over 37 feet again."

Gordon also scored in two other events. She was third in the discus (103-5) and set a school record in the 100 hurdles, finish-ing sixth at 16.3. She also held the old record of 16.5.

Jaime Brenner was fifth in the 3,200 run (12:22.3) and sixth in the 1,600 (5:32.6).

Ava Lala and Monica Czerwinski combined with Beth Purcell and Burcar for fourth place in the 800 relay (1:48.9), Gordon and Allison Branton for fifth in the 400 (52.7).

Falcons, Hawks boast multiple qualifiers

Farmington High fared the best among city schools Saturday in the Class A boys regional at West Bloomfield.

The Falcons finished fifth with a 40-point total, two places ahead of Harrison (27). North Farmington had four points and was 14th.
Farmington, which sends four individuals to the state meet June 4 in Middland, was helped by the fact pole vaulters Ben Goebel and Scott McKay were the only ones entered.

"I didn't realize how few schools in Oakland County have pole vault, Farmington coach Chip Bridges said.
Harvey Hicks was fourth in the long jump at 20 feet, 11 inches and beat the qualifying standard by one inch.
The top two athletes in each event qualify automatically for the state finals, but others can. too, if they exceed a pre-determined time or distance.

"The most disappointing thing was Kevin Afflerbaugh not qualifying." Bridges said. "He might be the most competitive person on the team, and he just came up a little short.

"We had real hot running conditions, and that made it difficult to run under the qualifying time. We had four or five quality kids in that race."
