A day for grandparents

At Kenbrook: It was Grandparents Day at Kenbrook Elementary School in the Farmington District recently and a large crowd turned out. In the photo above, music consultant Larry LaRue leads Kenbrook students as they sing to entertain their grandparents. In the photo at left, Dr. Bill Rogers of Troy visibly gets a kick out the entertainment. He and his wife Jane were visiting their second-grade grandson Steven Antoniotti.

Men, if you're about to turn 18, it's time to register with Selective Service at any U.S. Post Office.

It's quick. It's easy. And it's the law.

When you have a baby it should be a wonderfully close time for you and your family. That's why the *Miracle of Life Maternity Center* at St. Mary Hospital has you at the center of its visiting policy.

WHY A LOT OF BABIES SEEM LIKE DISTANT RELATIVES

Instead of asking you to conform to limited visiting times or placing barriers between family members, at St. Mary you decide who can visit and when.

All private rooms

We believe you know best when you want visitors and when you need time alone with your baby. That's why all the maternity rooms at St. Mary are private. So a family member can even stay overnight if that's what you want.

Real family care

Your baby can stay in your room even when family members are visiting. We accept your definition of family. Grandparents. Children. Aunts and uncles.

Your best friend. If you call them family, so do we. It's that simple.

Our physicians even examine babies at your bedside so you and your family can watch and ask

questions. So if you want real family-centered care, call St. Mary Hospital.

Call 313-591-2882 for a free brochure, personal tour, or a physician referral.

Your call could make history.

Right now, if you call us, you'll be helping us find parts of our history we're missing. It's all part of our 75th Anniversary celebration. Give us a ring. It could be a historic moment for all of us.
