3 area high school seniors win Rotary scholarships

Farmington Rotary Foundation awarded three James V. Ellis Memorial Scholarships at a June 7 luncheon.

The high school seniors receiving the scholarships are Don Chamberlin and Laura McWilliam, Farmington High School; and Brenda Sun Yong Cho, North Farmington High School.

The scholarship fund was created by the Farmington Rotary Club and Beverly Ellis in tribute to community leader Jim Ellis. This is the 10th year of the scholarship award.

INTEREST RATE

A.P.R.

If you're in the market for a new home or to refinance your mortgage, you're probably looking at both fixed and adjustable rate mortgage loans.

First of America Bank has something that combines the best of both—our Adjustable Rate Mortgages. You'll benefit from a five-year period with a low, fixed initial rate. Which means you can get more house for your money.

After the initial five-year period, your interest rate will adjust annually based on the U.S. Treasury Securities rate** in effect at that time. If rates increase,

your interest rate is protected and cannot rise more than five percent. So whether you plan to move to another home within five years or stay for a while, our Adjustable Rate Mortgage Loan should be your first step.

And use our pre-approved loan option to find out how much of a mortgage you qualify for prior to writing an offer to purchase.

For more information, talk to your Realtor. Or call any of the First of America Homelight mortgage loan centers listed below, and find out about our wide array of mortgage products.
