AL HARRISON

Michigan Special Olympics recently received a \$5,000 grant from the Michigan State Bowling Association to support the state tournament on June 12 at the Grand Rapids venue. Ken Chaffin of Grand Rapids was the tournament manager.

Mike Calloway, president of Metrostaff, announced the Easy Bowler Series Tournament of Champions on June 12 at the Grand Rapids venue.

Easy Bowler, invented and produced by Southern resident Dave Bergman, is a device designed to enable physically limited people to fully enjoy the sport who may not be able to do so otherwise. A person using this device only had to hold onto a release handle, not having to grip the ball with finger holes.

A 10-pound special ball is made for this purpose.

Hal James Cora Fibig recognized the potential of the Easy Bowler and brought it to the attention of Calloway. They decided it would make from some interesting competition between regular bowlers of all abilities. It eventually evolved into a method of doing a skins game format, separated by average into two divisions.

Jack Trotter Sr. of Farmington Hills was edged out by Dave Karska of Detroit, 235-2256, at the National Senior Bowling Association tourney June 4 at Ark Steering.

Blue Dugout of Farmington Hills and Bill Haynes of Rochester Hills were third and fourth, respectively.

The next NSBA tourney will be at 10 a.m. Saturday, July 9, at the Bowl in Livonia. Check-in is at 9 a.m.

For more information, call Mark (358-3740) or Phil (628-8866).

Down and out: Walter's Dan Taylor goes down sliding into second base Monday as Delwal infielder Tom Grigg awaits his arrival to make the putout.

Westland hits 10-win plateau

Westland Federation became the first Livonia Collegiate Baseball League team to reach double figures in wins with Sunday's doubleheader sweep against Walter's Appleton, 7-0 and 9-2, at Livonia's Ford Field.

Westland, which lost an 11-10 decision on Friday to Walter's, received a pair of complete-game pitching performances to win the twin bill.

The sweep gives Westland a 10-4 record atop the LCLBL standings. Little Caesars is in second place at 8-7, followed by Hines Park Lincoln Mercury at 6-3 and Walter's at 6-7.

Westland's game Monday against Wendy's was postponed because of poor field conditions. Some of the LCLBL teams are at or nearly halfway through the 30-game schedule but Westland coach Joe Vondracek hasn't seriously been watching the race for the four playoff spots.

But he knows Westland is in good shape since Hines Park, with four games to make up, is the only team with fewer losses.

"I pay more attention to the loss column," he said. "Once you lose, you can't recover those losses. Everyone has to play 30 games. Hines Park is the team to beat."

Mark D'Antonio won his first pitching decision against two losses with a five-hitter and nine strikeouts in the first game. Westland started D'Antonio in a 6-0 lead after two innings against losing pitcher Jamie Oliver, who fell to 1-1 on the mound.

D'Antonio, who also plays catcher, was one of four Westland players with two hits. Ryan Weaver, Mike Davis and Lee Gardner also hit safely twice.

"Mark is capable of winning his next three or four starts," Vondracek said. "He can do anything he wants. He's been getting two of his breaking pitches over and showing good location on his fastball."

Tom Wakefield improved his record to 5-0 with a four-hitter in the second game. Mike Zielenki was the losing pitcher for Walter's, falling to 1-1, as Westland scored in each of the first five innings and finished with a 14-hit attack.

Joe Vondracek (Redford Catholic Central and Central Michigan), Davis and Gardner had two hits apiece. Vondracek and Davis crossed the plate twice and Gardner scored once.

For Walter's Tim Piccini had two singles.

Walter's won a wild one Friday, scoring the winning run in the bottom of the seventh off Westland reliever Gardner.

Mike Brusseau (Redford CC)

COLLEGIATE

walked with the bases loaded to force in the winning run. Jason Carter (Plymouth Salem) RBI single made the score 4-3 and Brian Burns followed with a two-run homer.

Doug Gaughan had an RBI single for Garden City.

Hines Park scored six runs on five hits in the seventh inning of the nightcap to break open a close game.

Dan Frydov (Madonna University) suffered the loss, giving up eight hits and striking out five in a complete game.

Eric Justice (Redford CC) had an RBI single to score Jason Holton (Garden City High) with Garden City's only run in the sixth inning.

Delwal, Caesars split

Delwal won the second game 5-0 as John VanDenBrenk threw a two-hitter with five strikeouts and two walks. Sean McDonald led the hitting attack, going 3-for-4 with two runs scored and one RBI. Mike Pesci (Farmington Hills Harrison) went 2-for-3 with RBI and Terry Haden was 2-4.

Caesars won the first game 6-5, scoring all its runs in the second inning. Caesars collected four of its six hits in the second against Pesci, the losing pitcher who allowed only three earned runs.

Jason Gerstowski (Franklin) was the winning pitcher for Caesars.

Delwal rallied with three runs in the fourth and one in the sixth.

The potential tying run, McDonald, was tagged out in the sixth on an attempted steal of home plate.

Mike Miller was 2-4 with two RBI and Tom Grigg was 2-5 with an RBI.

Terry Hayden was the winning pitcher Monday as Delwal defeated Walter's Appleton 3-2.
