Fest marks 30th year

What's synonymous with summer that translates into a good time for all? The Farmington/Farmington Hills Founders Festival, which kicks off July 10 with a host of fun-filled activities that conclude on July 17.

As the festival embarks on its 30th year, it arrives with activities and events to delight both young and old. From fine foods, arts and

crafts, music, dance and entertainment to sports activities, tours and the all-popular Festival Parade, this year's Founders Festival promises to be an exciting and unusual community event.
