

Free Remedy For Weak Bowels

There are two forms of bodily cleanliness, the external and the internal. The one is for your pride in yourself, the other for your life and health. Both are important, but of vastly more importance in the long run is the internal cleanliness.

That is one point that all should watch about their body—the cleanliness of the bowels. Keep them clean and free from obstructions. To do this you must have one or two movements of the bowels each twenty-four hours. If your system does not do this naturally, in the process of eating and drinking, then you must obtain aid of some kind. After finding out that cathartics cause such things worse than ever the next day, then try a simpler and more natural remedy. Use Dr. Caldwell's Syrup Pepsin.

For the simplest the best way to begin is to send your name and address to Dr. Caldwell for a free sample bottle. Use it as directed and if it convinces you that a brief continuance of its use will relieve you permanently—that it will train the stomach and bowel muscles to again work naturally at certain hours—then buy it of your druggist at fifty cents and one dollar a bottle, just as many others are doing. They began with a sample bottle, then bought a fifty-cent bottle, and now, fully convinced of its size, all the members of the family use it down to the very youngest.

A brief use of this grand laxative tonic will cure constipation in its worst form. Indigestion, liver troubles, colds, headache, sour stomach and such ailments and give you a continuous good health at a very small cost. Such is the case with many families like that of Mrs. Oscar Spencer, Indianapolis, Ind. Dr. Caldwell, 1500 Caldwell building, Monticello, Ill.

Dr. Caldwell personally will be pleased to give you any medical advice you may desire for yourself or family pertaining to the stomach, liver or bowels absolutely free of charge. Explain your case in a letter and he will reply to you in detail. For the free sample and full name and address on a postal card or otherwise. For other doctors' addresses in Dr. W. B. Caldwell, 1500 Caldwell building, Monticello, Ill.
