

New regional recycling drop off center opens

There is a new public drop off center at the Resource Recovery and Recycling Authority of Southwest Oakland County facility at 20000 W. Eight Mile Road, Southfield.

The center — open to Farmington-area residents — will accept newspapers, cardboard, metal, glass and plastic milk jugs and detergent and juice bottles, as well as shrink wrap, plastic produce bags and clean polystyrene trays, plates and packaging material.

Center hours are 6 a.m. to 5 p.m. Monday through Friday and 6 a.m. to 1 p.m. Saturday. Additional information is available by calling 209-2270.

Michigan Eyecare Institute. Eye Specialists with a Vision.

MICHIGAN EYECARE INSTITUTE LEADING EYECARE WITH A VISION

As founders of The Michigan Eyecare Institute, Dr. William Myers and Dr. Mark Rubinstein have been at the forefront of ophthalmological breakthroughs.

Dr. Myers is the first ophthalmologist currently practicing in Michigan to utilize Radial Keratotomy — the breakthrough procedure to correct nearsightedness.

In addition Drs. Myers and Rubinstein were the first ophthalmologists in the state to develop or utilize:

- YAG laser surgery for treatment of secondary cataracts.
- Nova Curve lens, designed especially for the YAG laser surgery.
- Excimer laser surgery for treatment of glaucoma.

Drs. Myers and Rubinstein conduct courses in surgery and have lectured on their state-of-the-art surgical techniques to other physicians throughout North America, Europe, Russia and the Far East. If you are nearsighted, farsighted, or suffer from cataracts or glaucoma, The Michigan Eyecare Institute can help.

For more information call us at one of our four convenient locations for a free screening.
