

LET'S GO! TRAVEL

Wish you were here

C'est bon: Farmington Hills attorney Paul Sowerby took his Observer newspaper on a tour of Paris and its environs this summer. That's Sowerby on a River Seine boat, with the Eiffel Tower in the background. He also paused outside a castle.

Take us on vacation

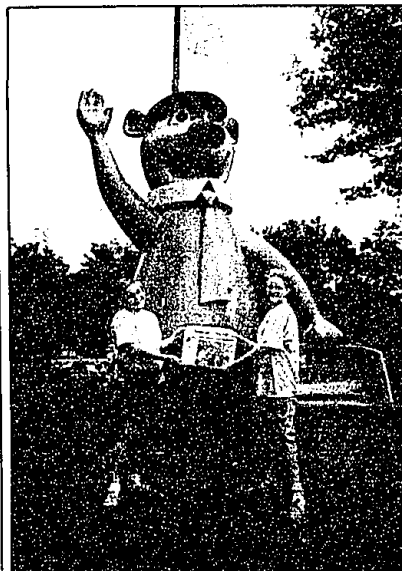

Thank you for sharing your vacation photos with us. We're trying to get in as many as we can. If your photo hasn't appeared in Let's Go! yet, don't fret, it will! To be considered, take your Observer newspaper on vacation and snap a photograph of your family holding the newspaper in a scenic spot.

We're also looking for recom-

mendations for good places to go with families — overnight, for a weekend or week. What's your favorite winter getaway? Is it some place warm or cold?

Send photos and travel recommendations to Keely Wyonik, Entertainment Editor, Observer Newspaper, 36251 Schoolcraft, Livonia, MI 48150. For more information, call (313) 953-2105.

Food for thought about cancer prevention

Can what you eat really prevent cancer? If you've already been diagnosed with the disease, can diet do anything at this point? There has been lots of information about these issues, but few clear-cut answers.

Get the facts about the link between diet and cancer prevention and control during the next community health education program sponsored by the University of Michigan Comprehensive Cancer Center.

What: "Cancer Prevention and Diet: Eat the Right Stuff," a free health education program. Our speaker is Cheryl Rock, Ph.D., R.D., a nutritional scientist at the University of Michigan School of Public Health.

When: 7-8:30 p.m., Thursday, Nov. 10, 1994

Where: Novi Hilton, 21111 Haggerty Road (at I-275 and 8 Mile Road)

For more information or directions, please call the U-M Comprehensive Cancer Center at 313-763-5181.
