**Experience the sights, sounds and scents of holidays past.**  
**Henry Ford Museum & Greenfield Village**  
Nov. 25, 1994 to Jan. 1, 1995

Capture the true spirit of the holidays with three centuries worth of traditions and treasures from America's past. Dazzling decorations, engaging hands-on activities, and costumed interpreters combine for a magical holiday experience. Drop in on December, 1878 at the Sarah Jordan boarding house as the household gets ready for Thomas Edison's first public display of his new lighting system. Share Christmas with the Wright Brothers in 1903, or gather for a holiday wedding feast in 1860 at the Susquehanna Plantation.\* Make Victorian-era holiday ornaments, enjoy a candy-making demonstration and listen to master storytellers weaving holiday tales. From a huge model train layout complete with gingerbread village to a brass band playing the music of the season, it's truly a feast for the senses. Even Santa Claus will be there.

\*Reenactments take place on weekends and week between Christmas and New Year's.
