

# Earthy colors for surf and turf

The definition of sportswear is changing," said Don Schwamb, president of Bogner of America. "Authentic sports apparel is now worn everywhere -- to the office, on city streets, in suburban supermarkets, to the theater and beyond. Golf fashions are no longer only worn at the club.

Just look at what people are wearing to work on casual Fridays."

Must haves this season include: polo-collared shirts, long bias-skirts, slim pants, a shaped jacket, and the apron dress, long or short. Colors come from nature and the great outdoors.
