contract station in the Farmer Jack at Five Mile and Newburgh.

The Farmington Post Office has a contract station in the Farmer Jack at Nine Mile and Farmington Road.

Although Canton Township is served by the Westland Post Office and has a drop-off station in Harvard Square on Sheldon Road, the rapidly growing community is targeted for a post office of its own sometime in 1997.

Other services, although not new ones, also are offered at local postal offices including philatelic windows and passport service.

Post offices in Westland and Royal Oak have "philatelic windows" where serious stamp collectors can examine sheets of stamps for minutes as most customers never notice. Westland philatelic window operator Katie Ushman "can spend up to an hour or two with certain collectors," said Truesdell.

And many post offices will fix customers up with a passport upon request, including post offices in Redford, Westland, Royal Oak and Southfield.

The hours of operation for area post offices are as follows:

- Canton Township, Harvard Square: 8:30 a.m. to 5 p.m. Monday through Friday, 9 a.m. to 1 p.m. Saturday.
- Farmington and Farmington Hills: 7 a.m. to 5 p.m. Monday through Friday, 8 a.m. to 2 p.m. Saturday.
- Garden City: 8:30 a.m. to 5 p.m. Monday through Friday.

**Fox from page 11A**

So it is now that we bid farewell to this American original as she leaves the Farmington, Farmington Hills area to begin another chapter in her life as a resident of our nation's capital. As Jean shaped up many things in our area over the years maybe she can shape up the White House which long ago forgot that it works for us and not the other way around.

Jean said she had hoped to ride out into the sunset like the western heroes of yesterday, without

much fanfare, but those of us who were touched by her spirit will always wish her well in all she does because of what her being meant to this community.

May you continue to be an inspiration to all who meet you, and we wish you all the best. May the splendors of nature, the wings of butterflies, and trillium fairies continue to brighten your life and aid you always in your battles to preserve and protect.

I know that whenever I think of Biddestone, Burroughs, and Bluebirds, I will think of two words: Jean Fox. Farmington Hills resident Joe Derek is the naturalist for the city of Farmington Hills.
