Personal Scene Ads in The Observer & Eccentric Newspapers allow you to record a message in your own voice over the phone. That way when people see your ad in the paper, they can dial your code, hear your message, and leave a message of their own. You can call, day or night, to get your messages. It's fast, it's easy, and it helps people find out more about each other. Look in today's classifieds or find and place your own ad. Who knows? You may find someone who loves theater and is willing to be (or not to be) your companion. You'll never know unless you try.
