With my schedule, there's no better way to find romance.

I can meet someone my type in no time with just one ad in the personals. Writing my ad was a snap and they even helped me record a great voice greeting. And the whole thing was totally free. But now I've got another problem. With all the responses I'm getting, how am I going to choose who's first?

To place your FREE voice personal ad, call **1-800-518-5445**
