### MILD, GENTLE LAXATIVE FOR WOMEN GIVEN FREE

Many of the ills of women are due to habitual constipation probably due to their fastidiousness or to the fact that their attention cannot be strongly called to the importance of keeping the bowels open. It is important to do that, regard of the sex, but it is especially important in women.

From the time the girl begins to menstruate until menstruation ceases has always vastly better prospects coming through healthy if she has her bowel movements. If you are yourself constipated, with bad complexion, headaches, indigestion and constipation, take small dose of Dr. Caldwell's Syrup Pepsin. It is woman's favorite laxative. You will find that you can do away with salts, strong cathartics, etc., which are entirely unsuited to woman's requirements.

Mrs. Katherine Haberster of McKees Rocks, Pa., and Mrs. A. E. Herick of Wheeler, Mich., who was almost paralyzed in her stomach and bowels, are now cured by the use of this remedy. A free sample bottle can be obtained by addressing Dr. Caldwell, and after you are convinced of its merits buy it of your druggist at fifty cents and one dollar a bottle.

For the free sample address Dr. W. B. Caldwell, 402 Caldwell building, Monticello, Ill.

### Farmington Boys Are Among the Winners

We are pleased to learn that the three boys who are attending Central High School in Detroit, from Farmington, Howard and Harley Warner and Edgar Pierce, have all been given a place on Central High's Base Ball team.

We understand that nearly 60 boys went out in the beginning of the season to try and make the team, and of this number 23 were selected to represent Central High on their annual state tour. Among this number Howard and Harley were selected for positions in the infield and Edgar for the outfield. Congratulations boys!

### Prof. Roth's Lecture

Last Wednesday afternoon under the auspices of the Ladies' Literary Club of Farmington, Prof. Roth, head of the Forestry department at the U. of M. delivered an excellent address in the Town Hall, on the subject of "Civic Improvement."

The rain kept many away who doubtless were counting on hearing Prof. Roth, nevertheless a goodly number attended the lecture in spite of the inclement weather. They found it well worth their while, too.

Prof. Roth is an enthusiast along the line of Forestry conservation and all who heard him felt no small influence from his timely words.

The Ladies' Literary Club are deserving of the sincerest thanks of the citizens of Farmington for the opportunity of hearing Prof. Roth.

Let us as a community try and do as he earnestly beseeched us to do.

First think well ourselves of our pretty, healthful little town, then tell others of its virtues, and finally all hustle together to beautify it, and keep it clean, wholesome and sweet.

### The Easter Services

The Easter Services in the M. E. Church last Sunday were well attended and of a high order.

In the morning the Auditorium was well filled, the choir sang two splendid Easter Anthems in their usual excellent form.

The Sunday School session was also especially attended.

In the evening the house was crowded. The program given by the Sunday School Scholars was even of a higher order than usual and that is saying a good deal.

No special or urgent appeal was made for the usual Easter offering but nearly \$40.00 were contributed during the day for special benevolent purpose, most of which was contributed by the Sunday School scholars. This offering was simply in addition to the usual collection which was unusually large, too, last Sunday.

The decorating committee did their work well; indeed, the decorative scheme was simple and appropriate. A number of Easter Lilies added greatly to the effectiveness and seasonableness of the decorations.

### ANNUAL MEETING

#### Report of the Year of the Farmington Cemetery Improvement Association

The annual meeting of the Farmington Cemetery Improvement Association was held April 11, at the home of Mr. and Mrs. F. M. Warner and the following report of the year's work was given by the secretary.

A cabinet meeting was held in July at the home of Mrs. Warner, to discuss plans for raising a fund to build an iron fence across the front of the Quaker Cemetery, and it was decided to give a number of socials and concerts and committees were appointed to arrange for the same.

An ice cream social was given in August clearing \$7.61.

In September a pioneer social was given at the home of Mrs. Sarah Chamberlin and \$15.00 more was added to the treasury.

An Old Songs Concert, which was a decided success, was given in the Town Hall in October and \$27.83 was cleared.

The annual dinner of the association was held in the Town Hall Nov. 18, clearing \$32.76.

During the year the sum of \$110.00 was raised by subscription toward the Quaker fence fund, the council voted \$40.00 for the same purpose and the fence is here and will be set in the near future.

Anna Cook, Sec.

The advisory board reported that an offer had been made by the association to the council to pay for having the new part of Oakwood Cemetery graded. T. H. McGee, president of the council, speaking for that body said, they were not only willing to allow the association to proceed with the work, but would spend an equal amount of money for the same purpose and for other improvements in both cemeteries.

After the constitution had been read the following officers were elected for the coming year:

Pres.—Mrs. Minnie Wilber  
Vice Pres.—Mrs. Minnie Hogle  
Sec'y.—Mrs. Anna Cook  
Treas.—Miss Mary Kennedy

Executive board was reelected and the advisory board reappointed.

The Rev. and Mrs. Geo. Gullen were made honorary members of the association.

A vote of thanks was tendered the council for its co-operation in our work.

After adjournment a lunch was served by the officers of the association.
