This is a tough problem even for bright kids.

It's not math or science that's keeping bright kids out of college. It's home economics. That's why giving to the United Negro College Fund is so important.

As the most experienced source in providing general operating support for historically black colleges, we've enabled thousands of deserving students to get a quality education.

But your help is still urgently needed. Without you this problem has no solution. Send your donation to: UNCF, 500 E. 62nd Street, New York, NY 10021.
