

GOOD LIVER REMEDY FREE

When you suffer from any form of indigestion it is always well to take something for the liver, as usually the trouble lies there. If you are bilious, have a bloated feeling after eating, if you belch, if your skin is yellowish you may be sure it is liver trouble.

What you need is something to stir up the liver to arouse the gastric juices so that they will aid in the digestion of your food. A very good remedy for this, and one highly recommended by those who have used it, is Dr. Caldwell's Syrup Pepsin, which you can obtain at any drugstore at fifty cents or one dollar a bottle. But if you have any doubt about its merits, and would prefer to try it first, send your address to Dr. Caldwell and he will promptly send you a free sample bottle.

Thousands of people first learned of this remarkable cure for stomach and bowel troubles through a free sample. Mrs. Frank Lilly of Plainville, Ill., sent for one and it cured her and she is open in saying that she will never take pills or strong cathartics again as Syrup Pepsin acts so mildly. Mrs. W. W. Bryant, Postmaster at Gardis, Tenn., says he will never be without it again. No sick person can afford to ignore a remedy so highly endorsed as this. It is safe for all the family from infancy to old age, because it is mild, free from gripping and yet promptly effective. Furthermore, results are absolutely guaranteed or money will be refunded.

For the free sample address Dr. W. B. Caldwell, 402 Caldwell building, Monicello, Ill.
