Hills cops run liquor sting

Farmington Hills police announced that they will be conducting their annual liquor enforcement operation between now and the Christmas holiday.

The department notifies all Class C liquor license bars, taverns and restaurants within the city beforehand. The department will send around an underage decoy who will ask to be served alcohol. Those who do will be ticketed for violating the Michigan Liquor Control Act.

PORCELAIN BEAUTY

Teeth that are stained, poorly shaped, or crooked may be covered with porcelain veneers to eliminate those problems. Fabricated in a lab from impressions of the patient's teeth, porcelain veneers are thin shells of porcelain laminate material that are applied directly to tooth surfaces. Not only is the procedure relatively short, but it is also a good deal less invasive than those involved with caps and crowns. Instead of grinding the tooth to shape in order that it may accept a cap or crown, veneers only require some filing of the existing tooth to allow the veneered tooth to retain its original profile.

Porcelain veneers provide beauty and strength virtually equaling that of your original tooth structure. At LIVONIA VILLAGE DENTAL ASSOCIATES, our primary goal is to restore teeth to their normal form, beauty, and proper function. We're located at 19171 Merriman Road, where we provide compassionate dentistry with the latest technology available. Smile! We care about you. Please call 478-2110 to schedule a convenient appointment. Smiles are our business. Hours: Monday, Tuesday, Thursday and Friday 8:00 a.m.-5:00 p.m.; Wednesday until 9:00 p.m.
