## B'Nai Moshe stages fun for youngsters

Congregation B'nai Moshe, a West Bloomfield synagogo with a growing motor wide membership, will offer another in its series of Shabat morning experiences for 3 and 4 year olds and their families on Saturday, May 18 at 10:30 a.m.

This family service, part of the congregation's new

"Hava Nagila Let's Be Happy programming for families with young children will be short (30 to 46 minutes) and very informal.

B'nai Moshe is at 6800 Drake Road just south of Maple, near the Jowish Community Center. For more information, call Rite Abramson at 810-788-0800.

& DAGUANNO and ACCEITURA ATTORNEYS AT LAW

## Music camp exposes Hills youth to Christian tunes

Following the resound-ing success of the first annual music camp at Prince of Peace Lutheran Church in Farmington

Lutheran Church in Farmington Hills, the church is preparing for Music Camp '96, a week-long experience Aug. 5-9. Enrollment is open to all area youth, grades and up. "Our purpose is that through the exposure to Christian music education, children would see music as a gift from God and a vehicle to express their praise," said Pastor Philip Trynka of Prince of Peace.

"Last year, more than 25 children learned the fundamentals of singing, were introduced to handchimes and discovered contemporary Christian and gospel music, all in one action packed week. This year we will offer even more opportunities for more children," the paster said.

According to Cheri Fish, organizer for the camb, the morning schedule will include worship, vocal theory, musical rehearsal and dance.

"In the afternoon, we will offer contemporary music, handchimes and field trips. The week will conclude with a Friday evening musical drama, along with choral and inatrumental music, which enables the children to show the skills they learn during music camp, asid Fish. Page are \$25 for con-

Fish.

Fees are \$25 for one child, \$40 for two, and \$50 for three children. Registration deadline is June 1. For more information, call Pastor Trzynka at 553-3380.

### HAVE YOU REACHED THE BREAKING POINT?

As many as 40% of 50-year-old women will suffer a bone fracture due to osteoporosis at sometime during their remaining lifetime. Are you at risk?

Osteoporosis and associated fractures can rob you of your mobility and your independence. Osteoporosis is a debilitating disease that can lead to pain, height loss, spine and hip fractures, and a deformed spine. Unfortunately, many women with osteoporosis have no symptoms until a fracture occurs. Early diagnosis of this disease is essential and new treatment options now available.

Dr. Melizly M. MacMartin, Medical Director of the Osteoporosis Detection Center-Livenia Medical Center has a special interest in the detection and treatment of osteoporosis using a DXA Bone Densitometer. A bone density test is safe, fast, noninvasive, and painless-and it will provide essential information to help your doctor assess the health of your bones.

Dr. MacMartin is board certified in Family Practice and a graduate of Kirksville College of Osteopathic Medicine. She practices with Dr. Nancy J. Rancour who is also a board certified family practitioner and a graduate of Michigan State University College of Osteopathic Medicine.

Both doctors are committed to the prevention, detection and treatment of osteoporosis. May 13-17 is Michigan's first Act Against Osteoporosis week, so call the Osteoporosis Detection Center today at (313) 427-3500 for an appointment. Dr. MacMartin and her staff can help you maintain your independence with an evaluation for osteoporosis.
