## Getting Ready to Sell Your Home? You Should Get This First:

Because the right real estate agent can make all the difference in the success of your home sale.

**Sandy Smith**

Selling your home involves a lot of important decisions. And one of the most important is choosing the right real estate professional to represent you. But how can you tell if an agent's right for you, until the transaction is over and you've already paid his or her fee? Now Sandy Smith makes it easy: His 100% Satisfaction Guaranteed program says in writing: if you're not completely satisfied with his service, he'll refund his

commission. What kind of agent would offer to refund his commission? Only an agent who's confident in his abilities to get the job done and who provides the kind of personal and attentive service his clients expect and deserve. So why risk your most important investment in the hands of anyone else? Call Sandy today, and ask for a copy of his guarantee. You'll be glad you did.

**100% SATISFACTION GUARANTEED**

If you are not 100% satisfied with the results of your home sale, we will refund your commission.
