My bank's
given small business
one big commitment
and one small rate.

The advertised introductory variable rate of 7.75% APR is based on The Wall Street Journal prime rate minus 1/2% which was 8.25% on April 1, 1996. Your APR may rise or fall if the prime rate changes. After that, the negotiated rate will apply. Offer available for new investment only and excludes small business lines of credit, construction loans, SBA loans and/or refinances of existing Michigan National Bank loans. Loan requires a 1/2% commitment fee plus any applicable third-party cost (such as recording fee, appraisal fees, title search fee). This term loan is a minimum of 60 months. The minimum is \$50,000 and the maximum is \$500,000. Offer valid July 1 through September 30, 1996. Loan must close by October 31, 1996.
