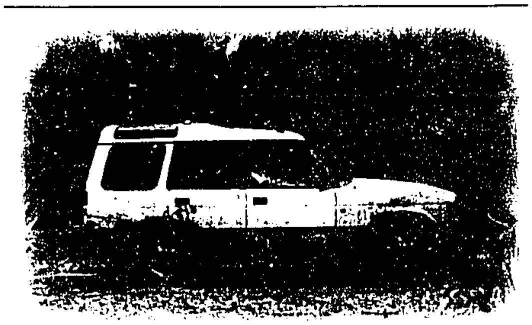
In a Discovery, even our lease overcomes obstacles.



First month's payment is free.
Full scheduled maintenance is free for up to 45,000 miles.

A Land Rover Discovery is designed to help you get over all sorts of hurdles.
Including those that might keep you from getting into a Discovery.
That's why we now offer the No Obstacle lease. What is it, precisely? For one thing, your first month's payment is completely free. All scheduled mainterance is also free for up to 45,000 miles.
But before you go on an extended journey in a Discovery, we suggest you first take a shorter trip.
A test drive.
So why not visit your nearest Land Rover dealer right away? This impressive offer ends September 30, 1996. Of course, once you're in a Discovery you may still face such obstacles as massive boulders and muddy gulches.
But they too are easily overcome.

LAND-ROVER DISCOVERY

The No Obstacle lease ends September 30, 1996.
