LIFE IS GOOD - ENJOY YOURSELF!

Try not to let a single day go by without enjoying yourself. Life should be pleasurable and full of wonderful things that make each day more exciting than the one before. Each day we are alive we receive blessings that if only we can recognize them, will make our life more fulfilling and joyful. Every person in the world is living with different conditions and circumstances and although it sometimes may be difficult to find joy and happiness in our everyday life, God expects us to try and live our life joyfully. We should be able to find joy in simple things that are all around us, but we have to look for them. Let's start today to choose to live a more joyful life, with less grumbling and pessimism. If we are fortunate, God has given us some thirty thousand days to live on this earth. We should try to make the most of them by being joyful, happy, and thanking God each day for His many blessings.

But all who find safety in you O Lord, rejoice; they can always sing for joy. Protect those who love you; because they are happy.
- Good News Bible Psalm 5:11
