Ad agency eyes Hispanic community

Southfield-based MARS Advertising has established a new division, MARS Hispanic, to provide sophisticated marketing and advertising services to businesses seeking to reach the growing Hispanic market throughout the United States.

The MARS Advertising Hispanic Division is headquartered in the agency's Miami office: 9240 SW 72nd St., Miami, Fla. 33173. The phone number is (305) 271-4175.

Miguel Rivera Jr. will serve as management supervisor heading up the new division.

He joins MARS Advertising from Southfield-based Bozell Worldwide where he was senior vice president of its Latin American region.

With 15 years experience working for U.S. corporations actively involved in targeting the Hispanic market, including McDonald's and Procter & Gamble, Rivera Jr. will oversee MARS' Account Specific Marketing (A.S.M.) team, assisting businesses seeking to directly target the burgeoning Hispanic

community and its media.

"Account Specific Marketing is in its infancy in the Hispanic market," says Rivera Jr.

"It is estimated that the Hispanic market possesses an annual buying power of \$204 billion, and will by the year 2005 be America's largest minority. The Hispanic Division of MARS Advertising has the immediate ability to plan and implement creative campaigns that effectively reach the Hispanic market."
