

FREE FOR STOMACH AND BOWELS

We are in receipt of letters from Mrs. Eva Gaskins, 304 Madison St., Topeka, Kan., and Mr. P. H. Gavelas, Wagener, Okla., as well as many others, telling about the wonderful results they have secured in the cure of their stomach and liver troubles by the use of Dr. Caldwell's Syrup Pepsin.

This remedy, as all readers doubtless know, has been before the public for a generation and is now being more extensively used than any other remedy for stomach, liver and bowel complaints. According to reliable testimony, it seems to be a very quick and lasting cure for constipation, indigestion and dyspepsia, liver trouble, biliousness, headaches, sour stomach, gas on the stomach, drowsiness after eating and similar disorders. It is a liquid with tonic effect, and so

mild and gentle in action that a child as well as a grown person can take it, in fact, it has no equal for children, women and old people.

It arouses the flow of gastric juice, and by a peculiar action trains the stomach and bowel muscles to again do their work naturally, and in time medicines of all kinds can be dispensed with. A free sample bottle can be had for trial by sending your address to the doctor, for in this way Mrs. Gaskins, Mr. Gavelas and many others first learned of the cure. Later, when satisfied it is the remedy you need, do as others are doing and buy it of your druggist at fifty cents and one dollar a bottle.

For the free sample address Dr. W. B. Caldwell, 402 Caldwell building, Monticello, Ill.
