Sierra *from page I-1*

use compressed natural gas fuel.

And the Sierra is a lot of truck. It's solid — oh, I said that already. It's versatile, functional, has proven durability, has all the features important on a well-designed pickup and has smart styling.

I really felt at home driving the Sierra. It's comfortable. It's big and high off the ground, giving you a commanding feel. But it's not just feel. The Sierra is commanding all by itself.

The Sierra's third door, added last year, makes all the difference in the world for rear-seat passengers. There's a full bench seat back there, complete with restraints for all three passengers. The only problem you'll have is if you have long legs. The front seats can go back quite a ways for the comfort of front seat passengers, but the rear seat passengers will suffer.

We mentioned the addition of the passenger-side airbag. Located just above the large glove box, the airbag can be deactivated by a switch on the instrument panel if you plan to transport an infant in a rear-facing infant seat. The bag will remain deactivated until you turn the switch back to the "on" position.

The speed-sensitive power steering really came in handy during the parallel parking. It's the best, giving you minimal effort and high maneuverability when parking, and more effort at cruising speeds to provide you with feedback from the road. This steering feature even improves fuel economy because the power steering is only on when needed.

The 5.7-liter sequential fuel injection engine is rated at 255 horsepower. This is a strong engine that gives you power when you need it. In passing, in acceleration, in just about everything you throw at it. In the same realm, it's not so powerful you can't control it. You'll always feel totally in control.

The Sierra is also quiet. Several times I was forced to look at the tach to make sure the engine was running. It doesn't roar to life in cold-weather starts. The only increase in noise came when 4-wheel drive was engaged. And it wasn't intrusive, just a little more hummmmmm.

I rarely use my garage for vehicle storage. But when the snow is flying, I hate to be out there scraping. I was pleasantly surprised I could fit the *Sierra in the garage this week* — and there was about 4 feet of trikes and Power Wheels vehicles parked in front of it.

The extended cab Sierra I drove had a ton of equipment, both standard and optional, and the price was just a hair over $30,000. Base price of the Sierra 2-door regular cab is $14,602. Base price of the extended cab with third door is $20,896.

The GMC Sierra is a no-nonsense pickup truck with a no-nonsense price. For no-nonsense people.

Anne Fracassa is senior editor of Avanti NewsFeatures.

1997 GMC Sierra
Vehicle class: Full-size pickup truck.
Engine: Vortec 5700 V8.
Mileage: 13 city / 17 highway.
Where built: Oshawa, Ontario, Canada.
Price as tested: $30,110.

When you join Hill-Rom, you immediately become part of our tradition of innovation. Hill-Rom doesn't see only products as complete packages of luxury, we provide a personalized business consultation and patient solution at every turn. You'll be given the opportunity to work in and develop your skills and expertise in the Hill-Rom family of companies where you will work together with other health care professionals to find the most cost effective way to address patients' problems. You will also advance yourself by your own abilities, your own future and reflect our proud past.

Home Care Sales Associate

We are currently seeking sales-oriented individuals in the Detroit area to pursue orders of Hill-Rom home care therapies, interact with home health agencies and physicians, perform service and in-store maintenance on products, and obtain and submit all necessary documentation on time to ensure the appropriate generation of invoices. Maintaining and enhancing effective relationships with all Hill-Rom internal and external customers and exercising patient's family and other caregivers on the proper operation of Hill-Rom Home Care products are additional duties. This position will also deliver ADL/IADL units to the home.

The qualified candidate must be a licensed RN have 2 years clinical experience and have a valid driver's license. Should also have health care and medical sales experience preferred.

In addition to the above mentioned compensation, Hill-Rom offers comprehensive benefits including company paid medical, dental life and 401 (k) programs. If you send us your resume and cover letter to Hill-Rom, A Medtronic Industry Area, Human Resources Representative - KA, 4149 Corporate Road, Charleston, South Carolina 29405, Fax: (803) 740-8196. Hill-Rom is a diverse and drug-free equal opportunity employer. M/F/D/V
