

ONE WAY OF SAVING A BABY—FREE TO TRY

The mother does not live who would not do all in her power to keep her child healthy, but often she does not know how. So when a doctor of standing points the way all can afford to listen.

It is an accepted fact that nine out of ten of the troubles of infants and children is intestinal. You notice it by the fact that the child is constipated, it hiccups, is nervous and cries. Don't give a remedy that contains an opiate, because the child will get in the habit of needing it, and don't be come alarmed and run at once for a doctor.

Try a scientific laxative first. Give a small dose of Dr. Caldwell's Syrup Pepsin, the remedy that is intended

for the use of children. It is mild, gentle and non-gripping. The remedy is absolutely pure and is guaranteed in every particular. Mrs. J. M. Emmons, of Pa., and Mrs. Fred Crows of Alanson, Mich., never give their children anything else. There are only a few among thousands of women.

You can buy a fifty cent or one dollar bottle of any nearby druggist, for they have all sold it for a generation, but if you want to test it on your child first send your address to Dr. Caldwell and he will cheerfully send you a free sample bottle.

Address him Dr. W. B. Caldwell, 402 Caldwell building, Monticello, Ill.

Redford

Thos. Hood has begun the building of a home on North Hartford avenue and has the frame nearly up.

A. M. Bosworth made a business trip this week by automobile up through Genesee county. He was accompanied by Prof. Laing.

The Rev. Taylor of Walkerville, Can., occupied the pulpit in the Presbyterian church last Sunday morning in accordance with the previously announced plan of an exchange for that day with Rev. Evans. He preached a very eloquent and instructive sermon and the choir furnished some excellent music for the occasion.

The Redford team was crippled last Saturday because they had no pitcher, and the result was a defeat. The Steedwals walking away with the game by a score of 11 to 4.

Brace, Fred Hantz and Roy Burgess took turns on the mound and gave the visitors the best they had, but a good many hits were made by the Detroiters and they netted runs.

Plymouth will be here this week Saturday and the game is quite likely to be a good stiff one for they have a strong team and Redford hopes to be in better shape than they were last week.

Although the weather was anything but propitious for an outing Tuesday morning it did not deter the large number of Masons and Eastern Stars from boarding the cars for the city, where they took the boat for Bob-Lo. It turned out that the weather was not half so bad as it appeared and the trip was enjoyable both ways. Nearly 250 people connected with the Redford lodge made up a crowd of happy souls who were intent on getting as much fun out of the excursion as possible.
