**Spartans dump Mustangs in district final**

BY BRAD EDWARDS  
 STAFF WRITER

The only team to score goal on the Livonia Stevenson girls soccer team this year couldn't duplicate the effort in Friday's Class A district championship.

Northville, despite a couple of good chances late, was stymied by the Western Lakes Activities Association champions, 4-0, in the finals at Livonia Ladywood.

The victory sends Stevenson (17-0-2), into Wednesday's regional semifinal against

WLAAs nemesis Canton. Game time is 7 p.m. in Southgate. Northville bowed out at 12-5-2.

"It was hard trying to generate any type of offense," Northville coach Doug Lyon said. "It's a little disappointing because we were not as focused as we should have been."

"I'm not blaming things on the press, but I wish we had played Stevenson on a better day. Not

to make excuses, though, because Stevenson was the better team."

Senior Nicole Tobin had a goal in each half to lead the Spartans. Coach McGrath and Allison Campbell (on a header) from Anne Fedrigo) also tallied first-half goals as Stevenson jumped out to a 3-0 lead.

"They're a young team, but their first touch and movement off the ball are fantastic," Lyon said. "I think you'll see Stevenson go all the way now."

Goalkeeper Jenny Barker got some action during the latter stages of the second half on route to her 40th career shutout.

Stevenson coach Jim Kimble said his team accomplished two objectives in the win.

"First, we wanted to shut down Bridget Bowdell, who is one of the better forwards around, and also put pressure on their backs and capitalize on their mistakes. We didn't want the last couple of games. We didn't want to come out slow."
