## START YOUR WEEK OFF RIGHT

While driving on a recent weekend automobile trip, we saw a sign on the back of a large truck that read "Start the week off right, attend the church of your choice." This was such a nice thing to see on the back of a large eighteen-wheeler going down the highway, giving everyone it passed some good, sound advice. Attending church not only benefits us by increasing our faith, it also sets a good example for our children and friends. Attending church and fellowshiping with our friends and neighbors should be a pleasant experience. Perhaps after church you may want to stop for something to eat, or you may want to visit friends or relatives. Regardless of how you spend the remainder of the day, going to church helps build our trust in God and lets us know that whatever happens, we are not alone. God is there to help us. There is no better way to start off the week than by attending church.

Let us not give up the habit of meeting together, as some are doing. Instead, let us encourage one another all the more, since you see the Day of the Lord coming nearer.
