MARY LINDA CALDERONE

Novi is a city on the move. Building new homes and building new businesses are daily happenings.

Recognition of the city's achievements has come from such diverse places as: Better Homes and Gardens "Home of the Year" awarded to Autumn Park; Chain Store Age "Best Supermarket," bestowed on Vics World Class Market; and Expansion Management Magazine "Gold Medal District," given to the Novi Community School District.

"The city harbors the belief that residents do," says Novi's Mayor Kathy McLalane. "They not only have a right to their

opinion but are encouraged to communicate their feelings to city hall."

But with the vast amount of information available to residents, you may wonder how this can be accomplished.

That's where Government Access TV comes into play. "Have You Heard?" on Channel 13 is a program produced by the City of Novi in conjunction with host Dr. Elmor Holland.

It details, "everything you always wanted to know about Novi—but were afraid to ask." Holland and representatives of the city are talking to you—giving you the latest information—and expecting you to talk back.

You'll get a variety of information including: how you can be involved, where to attend meetings, where to send correspondence and who to call.

Did you know there are over

20 boards, commissions and committees in Novi? The program will cover their functions and even various city departments. The beautification commission was recently highlighted on "Have You Heard?"

This is the commission that was responsible for the city bird, tree, flower and shrub contest.

They also sponsor an annual contest for the enhancement and beautification of Novi. One upcoming shows will include the parks and recreation commission.

Many people may think that this commission only deals with the beautiful parks of Novi. Not so, the commission is currently working on the specifics of building the upcoming ice arena and much more!

Did you know the library has facilities for those with visual problems?

They have a machine that puts reading materials in big print and they offer audible facilities. You can even borrow magnifying glasses there! Were you aware that the board of education offers adult education classes with reduced rates for seniors? Seniors can even obtain free passes for athletic events happening in Novi.

There's such a wealth of information here. I could go on and on. Better yet, keep an eye on channel 13! Take advantage of all the services a "city on the move" like Novi has to offer!

Mary Linda Calderone is the Community Outreach Coordinator for the Southwestern Oakland Cable Commission.

The next CAC meeting is 7 p.m. Tuesday, Sept. 9, at SWOCC. The next SWOCC meeting is 4:30 p.m. Tuesday, Sept. 23, at Farmington City Hall.
