

Studio 330 wins design award

Excellent expansion: To mark their 15th year in the tabletop business, Studio 330 owners Randy and Rochelle Forster, decided to expand their store in the Bloomfield Plaza at Maple and Telegraph. They hired Jon Greenberg & Associates of Southfield to handle the design and the finished showroom is about to receive the prestigious Silver Crystal from the Gifts and Decorative Accessories Merchandising Achievement Awards Competition. JGA vice-president Robert Berlin said the trick was designing space where the merchandise is the star. Studio 330 carries names like Bacarat, Rosenthal and Gorham.

Where can I find?

This feature is dedicated to helping readers locate sources for hard-to-find items in the marketplace. If you've seen any of the items in your retail travels (or basement) please call Malls & Mainstreets at (248) 901-2567. Just leave a message and your phone number (slowly and clearly, please!) and each Sunday we'll print caller solutions and new quests.

What we've found:

- Many readers called to offer the name of products that will remove the sticky outline left by bathtub decals, try: L.O.C. by Amway. Skin So Soft Bath Oil by Avon; Spray and Wash in an aerosol can; any olive oil; either Goof Off or Goo Gone, both available at Kmart and most hardware stores; a product names use to remove the bandage adhesive from skin available at Sun Medical Supplies on 16 Mile in Clawson.
- Two readers suggested cleaning the mildew off boat seat covers with bleach diluted in water (just rub it in and wipe quickly away), or call Scott Brooks, a cleaning products distributor who recommends a liquid organic cleaner (313) 537-3228.
- Nancy of Canton had a copy of a 1960s children's book, "The Bobo Twins at the Seashore" by Karen of Redford.
- Naturally on Forest in Westchester Square in downtown Plymouth reports it sells bentwood furniture, specifically, bent willow benches, tables, special orders.

We're still looking for:

- Retailer alert! We have five readers anxious to find a store that sells Anne Klein II cologne. Apparently this older fragrance still has many devotees.
- A book about the Calumet mining hall fire of 1913-14, called "Tinel and Tear" by Joyce Skindell.
- Pieces from the De-By dish collection, "Camelot" pattern, for Linda Anderson.
- Believe it or not! a ceramic chicken lamp for Shirley of Redford. "The chicken is lying down and the fluted shade has eyelet holes in it," she described.
- Compy watergoggles, now discontinued, and a Cosco high-chair that folds up, for Mary Ann.
- A pattern for a knitted/crocheted bootie slipper in adult sizes for Shirley who lost the one she used to knit her elderly mother these warm "socks."
- A 78-record of the Great Gildersleeve performing "Cinderella" for Joe Bueso.
- A place to get glass covers for the Guardianware pans. Last month we printed a company number in Anaheim, CA, but our reader insists they have yet to return her call and she is desperate.
- Once again, a source for colored lunch bags for Judy. She is having a hard time tracking them down at Kmart or the Dollar Stores.
