\$11,035.00 No, this isn't a joke. And yet, the decimal is in the right place. We don't blame the people for being skeptical. But you really do get things like dual airbags, dent-resistant body-side panels, a steel timing chain and a stainless steel exhaust. All for an M.S.R.P. of about \$11,000. (Which is probably why the SL was rated "The Best Overall Value" by IntelliChoice.®) Now, if you still have questions, just come by and we'll do our best to answer them. Oh, and for the record, our math skills are actually pretty good. SATURN. That's the M.S.R.P. of this 1998 Saturn SL, including retailer prep and transportation. Of course, total cost will vary using low options and state-required equipment are extra, as are things like tax and license. Each retailer sets its own price, which may differ from the price above. ©1997 Saturn Corporation. The Complete Car Cost Guide, 1997, IntelliChoice, Inc., Campbell, CA, Compact cars.
