IT DOESN'T PAY AS MUCH AS HIS OLD JOB.

UNLESS YOU ADD IN THE VALUE OF A MAN'S SELF-RESPECT.

It may be just a name tag to some, but for many others who know the indignity that comes with being unemployed, it's a badge of courage. A symbol of accomplishment. And the mark of independence.

Every year in southeast Michigan there are thousands of people who need employment and training services to get them back into the work force. And with your help, they'll make it.

The United Way supports 34 agencies in the tri-county area like Goodwill Industries.

United Way

Give Help. Give Hope. Give Now.

Detroit Urban League and Jewish Vocational Service that provide services that help build self-confidence, empowerment and independence through job skill evaluation, training, and job placement programs.

Last year, you helped fund those agencies with \$3.1 million. This year the need is even greater. And for every dollar donated, 90 cents goes directly to people in need. So you can be sure your money is hard at work, and so are the people you help.
