Art book reveals Eygpt's glory

Terrail Publishing Co. pro-duces a series of lavishly illus-trated, coffee-table size art books in a quality paperback format. They are notable for their excel-lent design and their extensive use of quality photographs and drawings

Stierlin's book has more than 200 color illustrations showing the beautiful coloring of gold and stones used by the Egyptians in their tombs. As in the DIA show, Stierlin shows how the objects in
