The Ups and Downs Of Life

Everybody has ups and downs in their life, and the way we respond to them is a reflection of our personality and faith in God. I once heard it said that, "It is nice to be on the mountaintops, but it is in the valleys with the fertile ground, that everything grows." We usually do not grow much when we are on top of the mountain and everything is trouble-free and good. It is when we are in the valleys, and things are not going well, that we must depend on our loving God and have faith that things will work out for the best. It is difficult to understand how troubles and afflictions can be a blessing, but God's desire is for us to love and trust Him. Our time spent on earth is a learning process and is relatively short compared with spending eternity in heaven. Things are constantly changing in this world, and we will always be confronted with life's ups and downs. The good news is, that in heaven there are no "downs", and for those who know Jesus as their Savior, their souls will live forever with God on the mountaintops.

Trust in the Lord with all your heart,
never rely on what you think you know.
Remember the Lord in everything you do,
and He will show you the right way.
Good News Bible Proverbs 3:5,6
