

## FREE REMEDY HELPS CHILDREN

Many a mother has learned of a way of avoiding sickness in her family, especially among the children, by the use of a free sample bottle of the famous laxative, Dr. Caldwell's Syrup Pepsin. This offer of the doctor's to send a free sample bottle has been responded to by thousands of women in all parts of America.

Dr. Caldwell's Syrup Pepsin is a truly wonderful laxative and cathartic, adapted to the needs of babies and children because it is pleasant to taste and no child will refuse it. It is mild and never gripes. It is that a child's remedy should be direct to the point of trouble, and that the whole family because it is effective at all ages. It is not dynamic pills, pills and powerful cathartics, which should not be given to children under any circumstances.

Nine times out of ten when a child complains and you don't know exactly what is the matter with it, it needs a laxative—its bowels are constipated. Syrup Pepsin will correct the trouble, tone up the child and soon it will be well again—wonderful results have been secured with Syrup Pepsin over night.

You can buy it of any druggist at fifty cents or a dollar a bottle, the latter being the family size, but you are invited to make a test of it first at the doctor's expense. Send him your address today and he will send you a free sample bottle direct to your home. Then when satisfied buy it of your favorite druggist.

For the free sample address him, Dr. W. B. Caldwell, 402 Caldwell building, Monticello, Ill.

## AMERICAN FENCE

Made of Hard, Stiff Wire, of Highest Quality

Good Fences are a farm investment that bring the most returns for the least money

ARE you losing money? If you had a hole in your pocket, out of which you were losing hard-earned dollars, would you sew it up? The time has arrived when a fence around the farm is as much a necessity as a cultivator.

If you are feeding 60c or 70c corn to hogs in a dry lot, allowing food, green feed to go to waste on other portions of your farm, you have a hole in your pocket, out of which you are losing good, hard-earned dollars. Sew it up.

Look up an American Fence dealer and let him show you how a few dollars invested in fence will yield a big big rate of interest on fed corn.

American Fence is made of hard, stiff steel. It is made of a quality of wire drawn expressly for woven-wire-fence purposes.

Galvanized by latest improved process—the best that the skill and experience of years has taught. Built on the elastic, hinged-joint (patented) principle, which effectively protects the stay or upright wires from breaking under hard usage.

The real test of a fence is the service you get out of it. Test, judge and compare American Fence under any and all conditions, and you will find that the steel, the structure and the galvanizing are equal in durability, strength and efficiency to the hardest usage.

Deafness Cannot Be Cured by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by a constitutional remedy. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed, it causes a humming sound or ringing in the ears, and when it is destroyed, deafness is the result, and unless the inflammation can be taken out and the tube restored to its normal condition, hearing will be destroyed forever. The root of the trouble is caused by Catarrh, which is nothing but an inflamed condition of the mucous surface. We will cure the Eustachian Tube for any case of deafness (caused by catarrh) that cannot be cured by other Catarrh cures. Send for circular, free. F. L. CHENEY & CO., Toledo, O.
