Michigan Seasons

Staff Writer

My uncles were hunters and fishermen. They hunted duck and deer and fished for bass...

Ernest Schwiebert, Ben East and Jerry Dennis. Women are also represented in Kathleen Stocking and Ann R. Miller.

All of these memories are stirred up by this collection of Michigan stories, part of a series of books covering the outdoors in Michigan and her spiritual sisters, Wisconsin and Minnesota.

Classic Tales of Life in the Woods

Ernest Schwiebert, Ben East and Jerry Dennis

The book follows the seasons from spring to winter with true stories (and one work of fiction) that capture the special wonder of Michigan, especially northern Michigan.

See Book Happenings, page D7

Judge Voelker (who wrote "Anatomy of a Murder") writes about his agonizing trials and tribulations at his favorite fishing spot and Norris McDowell gives us the inside story of his friendship with the judge...
