

# Help choose the favorite burger in Farmington

We're moving through all of the food groups with our new reader poll, Farmington's Favorites. Recently, readers picked their favorite bagel place. Now, it's burger lovers' turn. So, wipe off those sesame seeds and fill out the adjacent coupon, telling us which restaurant, deli, bar, bowling alley or other dining establishment serves up the best burger in Farmington or Farmington Hills. Your favorite burger doesn't have to be the traditional kind, either. It can be a veggie burger, turkey burger, or "anything" burger. Deadline is 5 p.m. Monday, April 27. We'll collect the tallies and report them in an upcoming issue. Bon appetit!

## FREE "LIVING TRUST" SEMINAR

"What You Ought to Know About Living Trusts" (What you don't know could cost your family thousands of dollars!)

If you own a home...or you have assets worth at least \$100,000...you owe it to yourself—and your family—to get the facts on living trusts. If you think you're protected with a simple Will...think again! A Will guarantees that your estate will go through probate, which means that your family may not be able to take possession of your estate for many months, or even years! Plus, if your estate is over \$625,000 your family may owe estate taxes which could amount to 37-55% of the value of your estate. This means that your family may have to sell some assets just to pay the estate tax!

A living trust avoids all this by avoiding probate and minimizing estate taxes. Plus, a living trust will protect your estate if you become incapacitated during your lifetime by avoiding a conservatorship. This means your estate will be managed as you see fit, not as a court-appointed guardian sees fit.

To find out more about the benefits of living trusts, attend one of these free seminars...
